Health & Wellness

**Alzheimer’s and Dementia: Know the 10 Signs of Early Detection**
If you or someone you know is experiencing memory loss or behavioral changes, it’s time to learn the facts. Early detection of Alzheimer’s disease gives you a chance to begin drug therapy, enroll in clinical studies and plan for the future. This interactive workshop features moving video clips of people with Alzheimer’s disease encouraging early detection, early diagnosis and early intervention. Participants will be able to identify the 10 warning signs of Alzheimer’s disease, understand what is involved in getting a diagnosis, identify risks and understand the benefits of early detection. This workshop is presented by the Alzheimer’s Association.

Churchill High School, Rm. 8148, 1 Session(s), Thurs., Beg. February 13, 6:30-8:00 PM, Free

**Understanding Alzheimer’s and Dementia**
This workshop, presented by the Alzheimer’s Association, is for anyone who would like to know more about Alzheimer’s disease and related forms of dementia. You will be provided with the answers to the many questions you may have about the diagnosis of the disease, causes and risk factors, as well as treatment options. There will also be discussions on the benefits of early detection and the stages of Alzheimer’s disease. Join us as we learn more about the symptoms and effects of the different types of dementia.

Churchill High School, Rm. 8148, 1 Session(s), Thurs., Beg. February 27, 6:30-8:00 PM, Free

**Effective Communication Strategies with Alzheimer’s and Dementia**
Communication is more than just talking and listening – it’s also about sending and receiving messages through attitude, tone of voice, facial expressions and body language. As people with Alzheimer’s disease and other dementias progress in their journey and the ability to use words is lost, families need new ways to connect. The Alzheimer’s Association will help you explore how communication takes place when someone has Alzheimer’s. You will learn to decode the verbal and behavioral messages delivered by someone with dementia, and identify strategies to help you connect and communicate at each stage of the disease.

Churchill High School, Rm. 8148, 1 Session(s), Thurs., Beg. March 19, 6:30-8:00 PM, Free

**Alzheimer’s Disease: Legal and Financial Planning**
This class will help you understand the legal and financial issues that may impact those with Alzheimer’s disease or related dementia. Learn how to make important decisions regarding money and legal documents and ways to put legal and financial plans in place. This workshop is presented by the Alzheimer’s Association.

**Healthy Living for a Healthier You**
For centuries, we have known that the health of the brain and the body are connected. Now, science is able to provide insights into how to optimize our physical and cognitive health as we age. In this class, the Alzheimer’s Association will present research in the areas of diet and nutrition, exercise, cognitive activity and social engagement to help you better understand how to prevent Alzheimer’s and memory loss. You will be introduced to hands-on tools to help you incorporate these recommendations into a plan for healthy aging.

Churchill High School, Rm. 8148, 1 Session(s), Thurs., Beg. April 9, 6:30-8:00 PM, Free

**New! The Give up Your Stress Challenge**
Most people think stress is a necessary part of life and that it actually helps motivate us. In this two part series, you will be challenged to take on a new attitude toward stress and will be given the tools to do it. What have you got to lose? Stress! Instructor Tim Kitterman has a master’s degree in counseling from Gallaudet University in Washington D.C. and co-founded the non-profit organization, Success Without Stress. A $5 supply fee is payable to the instructor at the beginning of class.

Coping Skills for You & Your Child

As the parent of a struggling child, you often find yourself wondering what you can do to help them feel better. It seems like you’ve tried everything, but nothing seems to work, at least not for very long. Their personality has changed and sometimes you worry that it might get worse. You know they have so much potential - where did it go? Imagine what it would feel like not to constantly worry about your child and to know they’ll ask for help when they need it. They would feel better about themselves and you would feel better about their ability to handle difficult situations and offer support when they need it. Dr. Vanessa C. Cantu, licensed professional counselor, crisis intervention counselor for NEISD, and founder of the Bullying Empowerment Center, will discuss several ways to help your child meet the challenges that come their way – and in turn, help you breathe a sigh of relief.

North East Community Learning Center, Rm. 206, 1 Session(s), Tues., Beg. April 14, 6:30-7:30 PM, Free

Is it Rude, Mean, or Bullying?

Your child comes home to tell you that they’ve been bullied, but when you hear them describe the situation, you’re not quite sure if bullying is what happened. Come learn the difference between rude, mean and bullying behaviors. It is important to distinguish these behaviors so adults and children will know what to pay attention to and when to intervene. We’ll also review David’s Law (SB 179) to see how it impacts your child’s education. Dr. Vanessa C. Cantu, founder of the Bullying Empowerment Center, wrote her dissertation on bullying which gave her the opportunity to learn several prevention and intervention strategies to deal with bullying.

North East Community Learning Center, Rm. 206, 1 Session(s), Tues., Beg. April 28, 6:30-7:30 PM, Free

FOR ADULT CLASSES: We are proud to welcome and admit students 18 years of age and older and of any race, color, national, or ethnic origin to all classes. Students ages 15 to 18 will be permitted to register only with prior consent of the instructor and Community Ed coordinator and may be required to have an adult sign up with them. Children under age 15 will not be permitted in adult classes. Please call 407-0140 option 3 for more information. You do not have to be a resident on NEISD to take any of our classes.

FOR YOUTH CLASSES: We ask that you adhere to the age requirements listed in the course description. We do not allow children to accompany adults to class, nor do we provide child care.

GENERAL INFORMATION—The Community Education Program of NEISD is conducted for the benefit and enjoyment of community patrons. Classes are offered for people of all ages regardless of where they live. Classes offered are non-credit. Financial support for the program comes from class fees. Classes are for adults only unless specifically noted. Every effort has been made to make this publication accurate as of the publication date; however, all policies, tuitions/fees, instructors and class content are subject to change at any time by appropriate action of instructors or administrators of this program. Financial support for our program comes from class tuition. All classes, including free classes, require pre-registration. Tuition fees are due at registration. Early registration is encouraged to avoid class cancellations due to low enrollment. Registration for some cooking and crafting classes may close two business days before class time to allow instructors to purchase supplies for class.

REFUND POLICY—We are happy to refund tuition, less a $5 processing fee, when you withdraw from your class prior to the first class meeting. We understand things happen from time to time that get in the way of you attending a course in which you enrolled and planned to attend. If this is your situation, please give us a call and we will issue a credit of the tuition paid that can be applied to any course you wish to take in the future. Requests must be made by calling Community Education at 407-0140 option 3. Refunds for payments made by credit card will be processed to same card used and will take 24-48 hours. Refunds for cash and check payments will be made by check and will take 7-10 business days for processing.

DISCOUNTS—NEISD employees or NEISD residents who are 65 or over with a Senior Star Card are entitled to a 20% discount on most Community Education classes that cost $25 or more. To obtain a Senior Star Card call the office of the Superintendent at 407-0556. Discounts must be taken at time of registration and apply to employees and Senior Star cardholders only, not family members.

CANCELLATIONS—If we cancel your class, you will be offered the choice of an alternative class, holdover credit or full refund. Holdover credit can be used toward any class. Registrants will be notified by e-mail or phone if class has been canceled. Refer to “Refund Policy” above if you wish to withdraw from your class.

CONFIRMATION of registrations will not be sent. You will be contacted only if a class is canceled or is already full when your registration is received.

RETURNED CHECKS—A fee will be charged for each returned check.

SUPPLY FEES—Some classes have a supply fee which is payable to the instructor at the first class. This fee is in addition to the class fee, which is paid to Community Education and is noted in the class description.

POLICIES—North East Community Education reserves the right to change class instructors when necessary. North East Community Education also reserves the right to refuse enrollment to participants with a history of unacceptable behavior. On occasion, we need to change room assignments due to class size requirements. Upon arrival for your class, please refer to the Building Supervisor and/or classroom signs for final assignment.

INSTRUCTORS—We make every effort to ensure that instructors are knowledgeable in the subject that they are instructing, but the views, opinions, and beliefs discussed by the instructor do not necessarily reflect the opinions of North East Community Education.
